Within cold and wet soils,
basil and Macedonia parsley
do not germinate, or rather ger-
minate so late that
their seed can not get mature.

Lettuce can be planted
in small gardeners,
as soon as they start
having big ears.

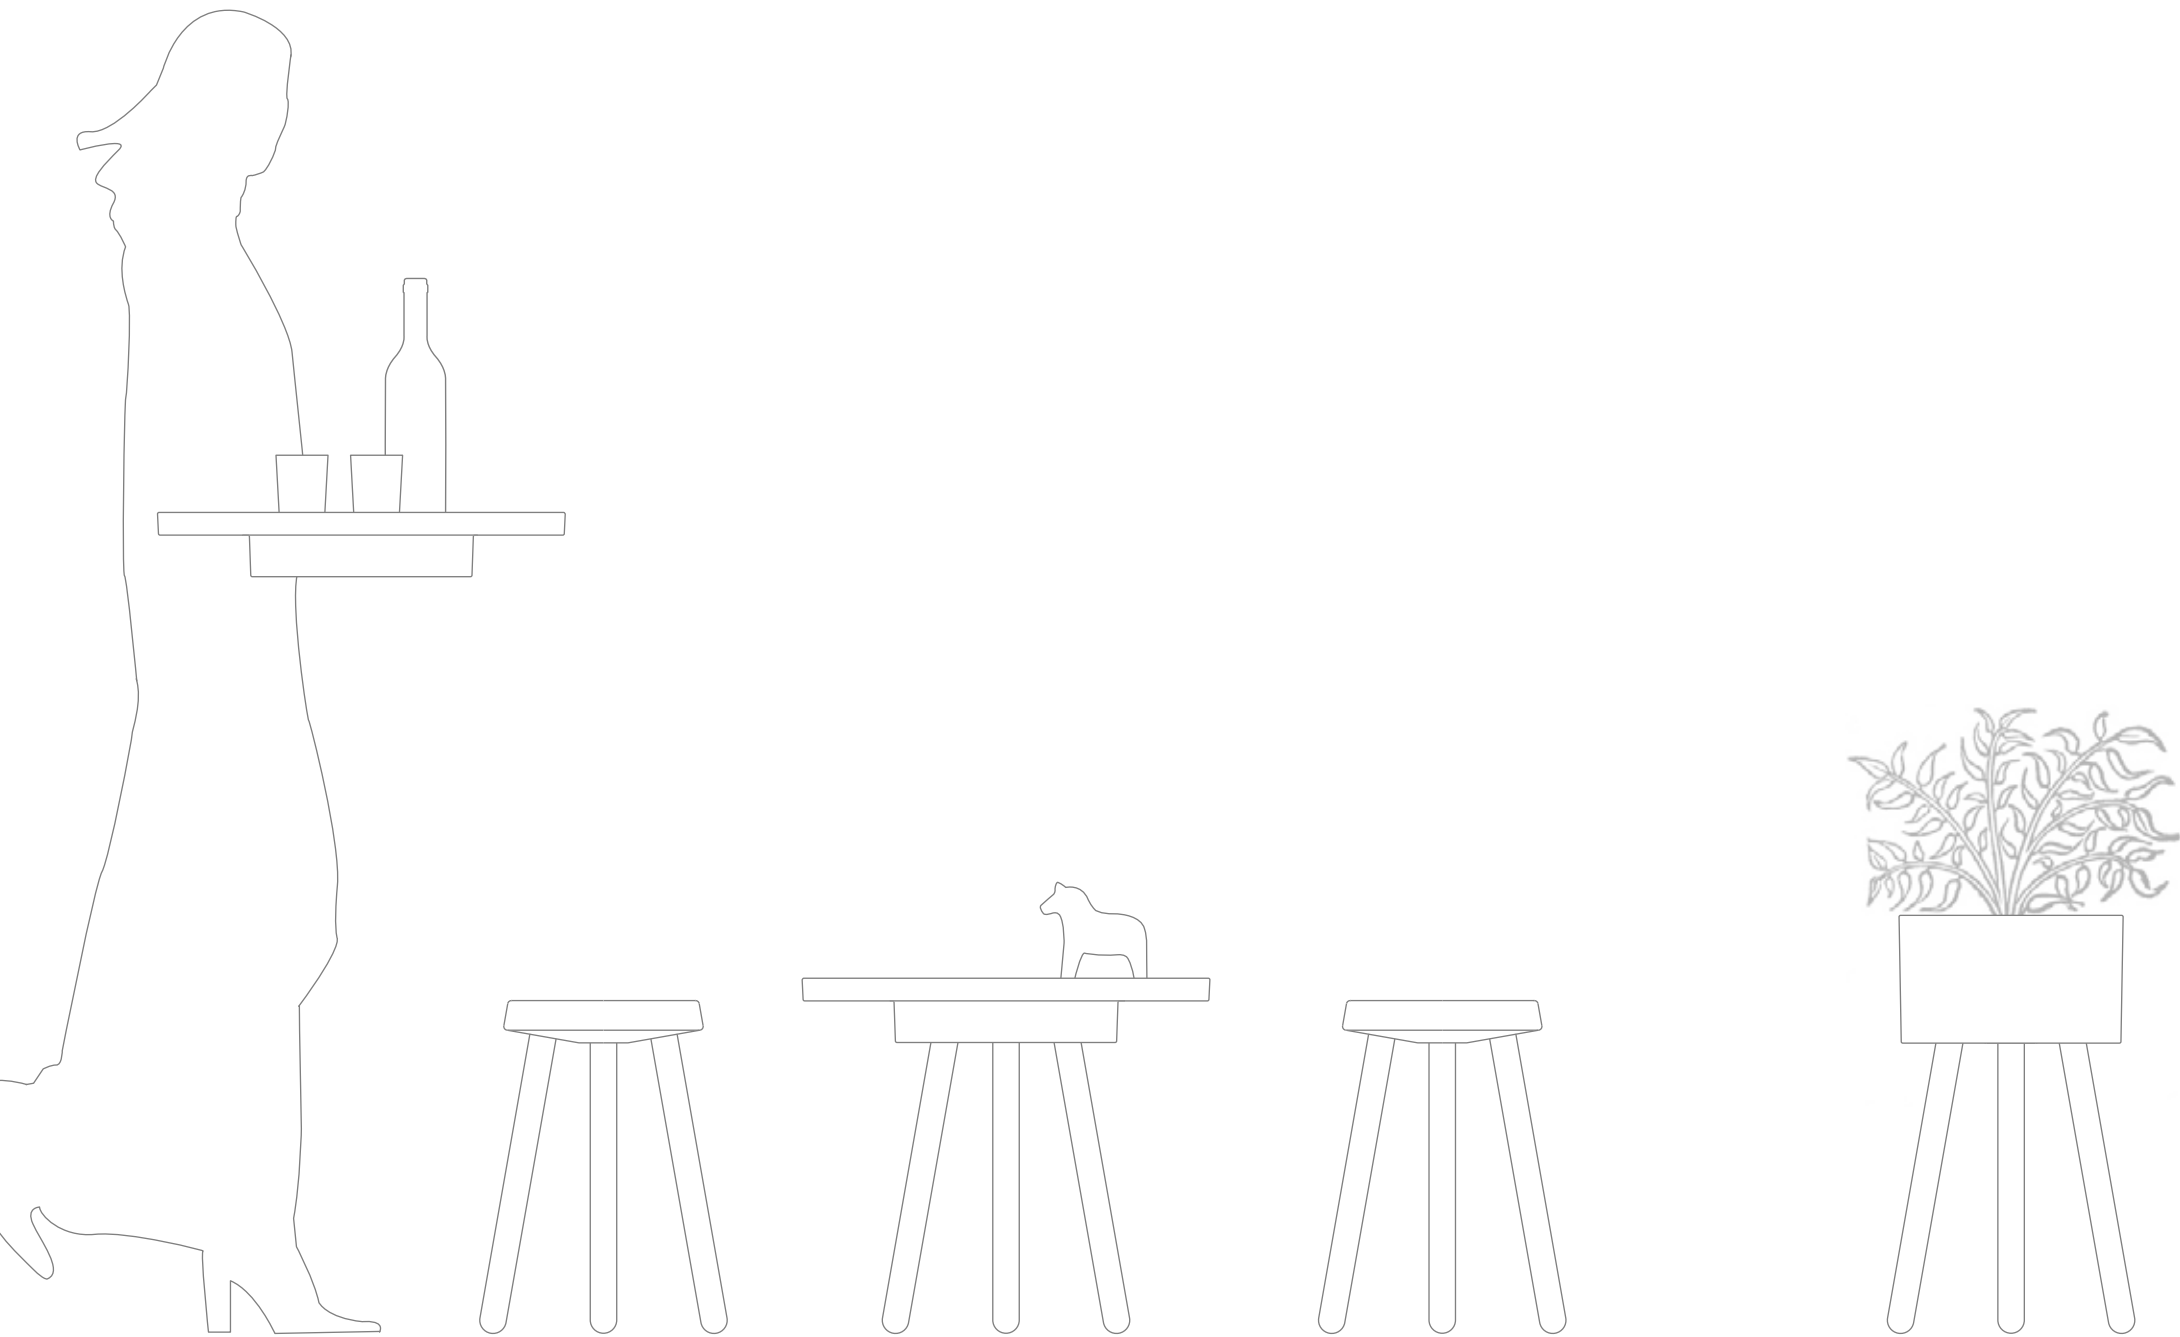

AROMATIC GARDENER POT FITTING ON WOODEN STOOL | WOODEN STOOL | ENAMELLED SANDSTONE & LARCH WOOD

JEAN-BAPTISTE | LIGNE ROSET OUTDOOR COLLECTION 2013

Jean-Baptiste outdoor collection starts with a set of wooden stool. A vegetable gardener pot is then designed to fit on those stools. Garden planter mounted up on pedestal to grow aromatic plants on balcony or terrace. Eulogy of Jean-Baptiste de la Quintinie, director of the vegetable garden of king Louis XIV. A large tray is also designed to fit on those stools, building an outdoor side table with a removable top plate. Stool made of natural burnt larch wood. Gardener pot and removable tray made of white enamelled sandstone.
